**This is pure and undefiled religion in the sight of our God and Father,  
to visit orphans and widows,  
and to keep oneself unstained by the world. James 1:27**

Dear Friends & Family,

As our time draws closer to moving, we want to pause and thank you all once again for making this possible through your generous gifts, encouragement, and love. Tabitha International represents many different people with one heart.

July 17<sup>th</sup> is our scheduled departure date. We will be driving through Mexico with minimal belongings and send a container with our household items. We will be renting a house in Corozal owned by the Anglican Church. From there we will set up our headquarters for Tabitha International and begin working with the Department of Human Services.

Our prayer requests at this time are as follows:

1. Wisdom as we put together training materials for the Foster/Adopt parents. We desire them to be effective, culturally appropriate, and Christ-centered.
2. Safety as we travel through Mexico.
3. Open doors as we apply for work permits.
4. We are still in need of a few hundred dollars per month in order to maintain this ministry.

In His Love,

Denis & Donna Walsh
