November/December 2007

**James 1:27 This is pure and undefiled religion in the sight of our God and Father, to visit orphans and widows in their distress, and to keep oneself unstained by the world.**

News for you, our friends and supporters,

- November 28th we met at the office of the “National Committee for Families and Children” in Belize City to present our teaching materials to the supervisors in the Department of Human Services. All were pleased with what they saw.
- Each supervisor has asked that we also train the case workers in their departments preceding the training for foster parents. We were glad that they initiated this additional step.
- Ms. Pennill has begun putting together a schedule for us that will encompass five months of training for case workers, foster families and workers in the existing orphanages and children’s homes.

We have just returned to Boulder to do two more shoots for our training videos and to spend time with family and friends during this holiday season.

**Prayer requests:** Wisdom as we develop training materials and continue fund raising.

**Peter and Maria with their daughters**

**Denis and Donna in Belize**

**A Belizean family that has volunteered to help us in “role playing” for our training videos.**

Your prayers, love and support through this time of transition has meant so much to us. We feel so blessed to have such a wonderful church family and look forward to seeing each of you.

Our Lord is “Todopoderoso” (Spanish for all powerful, literally able to do all.) Amen, Denis & Donna Walsh
